PICTURES

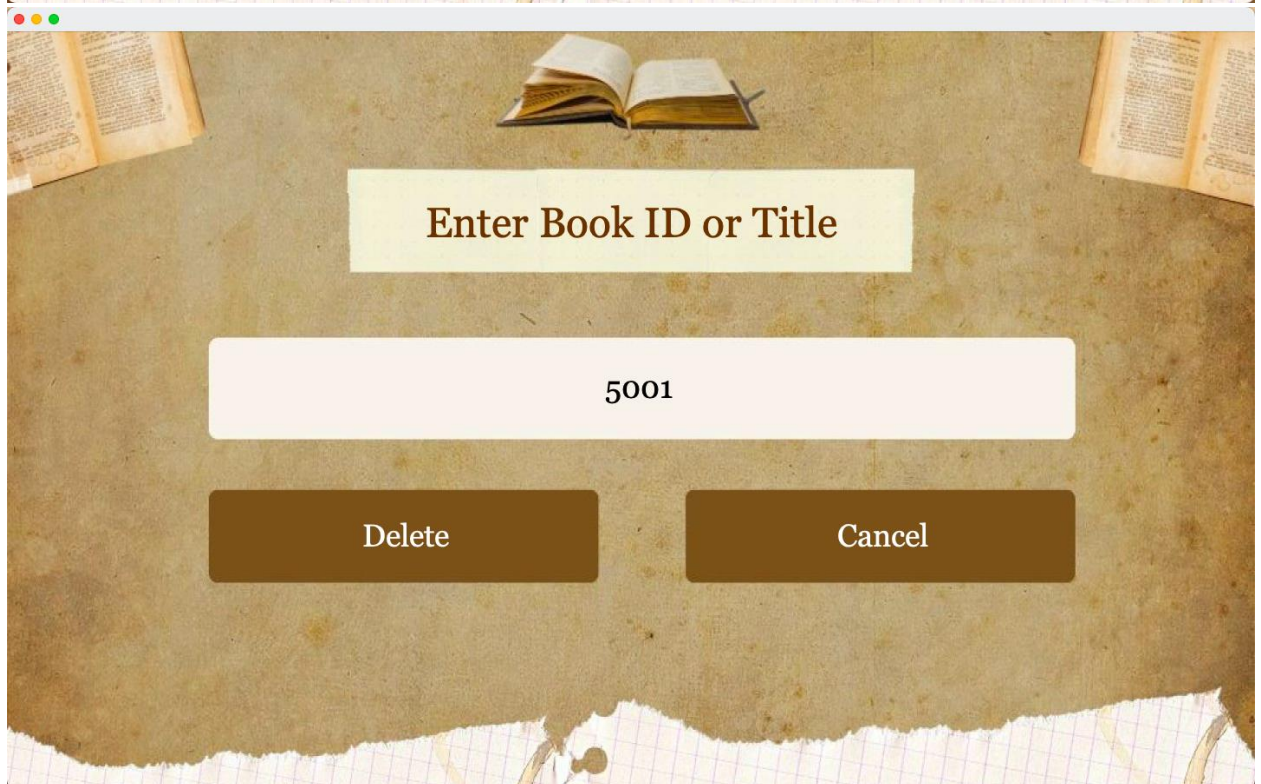

A screenshot of a web application window titled "Add Books". The window has a light gray title bar with three colored buttons (red, yellow, green) on the left. The background is a textured, brownish-gold surface with a torn paper effect at the bottom. At the top center, there is a small illustration of an open book. Below the title, there are five input fields arranged in two columns. The first column contains labels: "Book ID:", "Category:", "Title:", "Author:", and "Copies:". The second column contains the corresponding values: "17233", "Computer Science", "DAA", "Anany Levitin", and "2". At the bottom, there are two dark brown buttons: "Add" and "Cancel".

Add Books

Book ID:	17233
Category:	Computer Science
Title:	DAA
Author:	Anany Levitin
Copies:	2

Add **Cancel**

A screenshot of a web application window titled "Enter Book ID or Title". The window has a light gray title bar with three colored buttons (red, yellow, green) on the left. The background is a textured, brownish-gold surface with a torn paper effect at the bottom. At the top center, there is a small illustration of an open book. Below the title, there is a single input field containing the value "5001". At the bottom, there are two dark brown buttons: "Delete" and "Cancel".

Enter Book ID or Title

5001

A screenshot of a web application window with a parchment background and an open book at the top. The window has a title bar with three colored dots (red, yellow, green). The main content area contains a light yellow rectangular box with the text "Enter Staff ID or Name" in a dark brown serif font. Below this is a light pink rectangular input field containing the text "3675". At the bottom are two dark brown rectangular buttons with white text: "Delete" on the left and "Cancel" on the right. The bottom edge of the window shows a torn paper effect revealing a grid pattern.
